

HIRING FORM

PLEASE NOTE:

No supervisor may authorize a candidate to begin work in his/her area until the proper recruitment steps have taken place and central ASU HR has approved the hire request. You should not authorize a candidate to begin work and then inform the personnel office after the fact that the person has started working and needs to be hired. There are various issues that will result if you do not follow this process (i.e. unpaid hours, insurance and EH&S issues, verification of eligibility to work, etc.).

PLEASE REFERENCE the student wage scale and job level descriptions to assist in selecting the rate of pay and responsibilities. <https://students.asu.edu/employment#wagescale>

SEND the completed form to Yvonne Delgado, Yvonne.Delgado@asu.edu to begin the recruitment process.
