

Per policy ACD 305-05, “It is not the ASU Bookstore’s responsibility to furnish desk copies of textbooks used in a class. The course instructor is responsible for securing desk copies in advance of need from the publisher.”

To order desk copies, check directly at the publisher’s website and search for “desk copies” or “exam copies.” They will provide information on how they want you to place an order. If department approval or request on letterhead is needed, feel free to use the form that follows.

Should you need further assistance, please contact [SHPRSFrontDesk@asu.edu](mailto:SHPRSFrontDesk@asu.edu).
