# ***The Partisan with the Leica Camera***

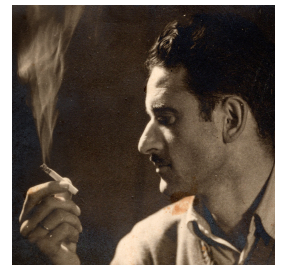

Directed by Ruth Walk  
Produced by Yael Perlov

This 2022 documentary tells the story of a married couple, Mundek Lukawiecki and Hannah Bern, who fought against the Nazis in the woods in Poland. Lukawiecki had a camera and took rare photos of their life. The film traces not only their wartime experience, but also their life in Israel after the war.

The screening is part of “Genocide Awareness Week” (GAW), a statewide, week-long series of lectures, exhibits, and storytelling by distinguished survivors, scholars, politicians, activists, artists, humanitarians, and members of law enforcement. All events confront violent actions and current and ongoing threats of genocide throughout the world, while also looking to the past for guidance. GAW honors those affected by genocide. <https://shprs.asu.edu/gaw2023>
