5. [Create and submit a request](#) before booking travel or traveling - attach award letter to the trip request.

Creating a Trip Request

- **Within one week of receiving a travel award, please submit your travel request into the Concur/MyASUTrip travel system. This will ensure that you are covered under ASU insurance, in the event something occurs during your trip.** *For students traveling outside the United States and its territories please read <https://provost.asu.edu/student-international-travel/>.
- If you are receiving funding from multiple sources, you should route the trip request in MyASUTrip through the other areas first, and the SHPRS Business Office should be added as the final approval.
 - o The requests and expense reports should be routed in the following order: academic unit, GPSA (as applicable), other (as applicable) and finally, the SHPRS Business Office (Cost Center Manager Canto, Martha).
- You are also required to add a brief statement on the travel request that explains the purpose of your travel and how your attendance at this conference benefits you, ASU, and your research.
- Please make sure to **include your travel award letter to the trip request** as an attachment. When you return from your trip and enter your expense report, please attach your award letter to a line on the report using the option "other supporting documentation". Trip requests and expense reports will not be approved without this back up.
- Add program PG13035 and Cost Center, CC0349 and the applicable award program/gift/grant for airfare, hotel, daily allowances, etc up to **the amount of your award** and route the request to Martha Canto, the SHPRS account signer, for approval. Make note of the Trip Request Code i.e. AVKU.
